

HEAD START REFERRAL APP

Over 1 million children aged birth - six are experiencing homelessness in the US. Access to high-quality early learning programs can mitigate the traumatic and developmentally damaging impacts of homelessness, **yet only 4.3% are enrolled in Head Start or Early Head Start.**

Goal: To increase the enrollment of young children experiencing homelessness by serving as a link between K12 school districts and the Head Start and Early Head Start programs in their community who can serve them.
