Did you check out a book when your English class came to the library at the beginning of the year? Do you still have it? It's time to return it because it's been gone so long now that we think it's lost! Remember, you only have a month to read the books you check out before you have to renew them or return them!

Preseason track training is going on each day after school except Wednesdays. Meet on the track at 3pm. The regular season starts in 2 weeks. Time to get in shape for opening day. See Coach Young for questions paperwork.

The student store is open every Wednesday during lunch. You can use cash or Hawk Talons (Minga points) to buy items. The student store can be found on the 2nd floor near the Career Center. As of February 1st, students need to have their Minga app open and ready to go if they want to spend Hawk Talons at the student store. Having your Minga app open will help us verify how many talons you have to spend and will help the line move quicker. If you don't have a phone or can't get the app to open, please see an adult at the store to help you.

The Green Hawks would like to announce that we have launched our lithium battery recycling drive. We have three collection boxes across campus. 304 Mrs Barron, 218 Mr Arsenault, and the Family Resource Center in Mr. Herrera's office. If you have any rechargeable batteries or even rechargeable devices that do not quite work any more, bring them in and we will donate them. Recycling lithium reduces the need for mining and lowers the cost of battery manufacturing through recycling. If you have any questions, feel free to reach out to Mr A or Mrs Barron.

Are you currently working on Edgenuity courses that are needed for graduation? We encourage all Edgenuity students to attend Intersession to work on their Edgenuity courses during the break. Edgenuity teachers, counselors, and deans have the QR codes to sign up.
